

MAY 24, 2006

A regular meeting that was scheduled was cancelled due to the absence of Chairman Roose and Commissioner Konzen. They were required to be at other meetings. Commissioner Windom was present.

1:30 P.M.: PUBLIC HEARING ON COMPLIANCE WITH TITLE 13 OF THE HOUSING & URBAN DEVELOPMENT ACT OF 1968, PUBLIC LAW 90-448, REVISING FLOOD PLAIN MAPS.

No comments were received from the public. Peterson said there are 10 new maps for the county, and 3 for the city of Libby.

Peterson presented a Lakeshore Construction Permit request on Upper Thompson Lake for Jeffrey J. Davidson. Commissioner Windom will review the site.

1:30 P.M.: Ken Peterson, County Planner and Mary Klinkam, Assistant Planner:

Re: Public Hearing on Mount Snowy View Subdivision. Present were: Daniel Briskin, Stewart Briskin, Ken Davis and Jack DeShazer.

This is a 7 residential lot major subdivision contained in 48.14 acres.

All criteria has been met and the Planning Staff recommended approval of this major subdivision. The developer will deal with the slash piles to be burned, and possibly have them removed, as the burning season is over.

Commissioner Windom said the decision must wait til next week when all the commissioners are present.

This completed meetings for the day.
