

## **Licensed Establishment Program Responsibilities**

- **Food Beverage Provider Inspections**

This department inspects local restaurants and bars to ensure that all health and safety standards are being met. This is both a advisory and an enforcement function.

- **Pool/Spa Standards**

Public pools and spas are subject to inspection and are advised of any health/safety deficiencies. Enforcement authority includes temporarily shutting down the site.

- **Public Accommodations**

- **Tattooing**

- **Trailer Courts and Campgrounds**
